

## **STATEMENT**

On the basis of par. 68 section 1 point 4 of the Regulation of the Minister of  
Finance  
dated 29 March 2018  
with regard to current and periodic information (...)

The Management Board of Talex S.A. located in Poznan states that to its best knowledge the semi-annual financial statement and the comparative data presented in the Semi-annual report (SA-P 2023) have been drawn up in accordance with the binding accounting principles, and that they truly, reliably and clearly reflect the financial and material situation of the Company as well as its financial results, and that the Annual Report of the Management Board (Statement of Issuer's Activity) contains a true picture of the development, achievements and condition of the Company, including the description of the most important hazards and risks.
